## BRAINDUMPING IDEATION

### IDEAS

1. Share owner information too, to help users get an idea about the experience
2. Let user filter on parameters like- location, breed, gender, age, location etc
3. Suggest nearby pet friendly places for meeting
4. Video call feature for times when owners are unable to take their pets out
5. Give activity suggestions for the date
6. Can give users to get a verified status if they upload a video with their pet
7. Chat option for users
